COMPANY PROFILE

Millennium Tiles is all geared up to storm the Floor Tiles Market. Not overlooking the Indian customer's preference for style and look, we would introduce the range in various captivating and contemporary designs and colors. Millennium floor tiles have superb polishing and are equipped with nanotechnology units for a better after-fit finish. We have built a reputation for delivering high-end floor tiles products to our customers. Millennium floor tiles manufacturer is dedicated to achieving the highest levels of customer satisfaction by continuously improving quality and product range to deliver high value to customers.

Millennium has long been known for its product quality and customer service. We are the world's leading vitrified tiles manufacturer in Morbi, India – Millennium Tiles is the most talented vitrified tiles manufacturer of the Morbi-floor tiles hub of India. Like the tropical storms in the Atlantic Ocean from where we have derived our name, we at Millennium Vitrified Tiles Pvt. Ltd. are here with a passion for bringing a revolution in design and architecture. We have Granito tiles in various sizes like 300x300mm, 400x400mm, 600x600mm, 800x800mm, and 600x1200mm to give a better after-fit finish.

VISION

To aspire to a world with high living by providing complete aesthetic tiling solution at a fair & sensible price and availing it within reach of the masses. At Millennium, we ensure the idyllic quality, which defines our commitment to ethical, equitable & high business virtues.

MISION

We define our core purpose by striving as a socially responsible partner for delivering the most affordable & valuable living by facilitating a vast range of eco-friendly and highly sustainable products and innovative solutions developed using deep customer insights to enrich customers with beyond satisfaction.
