# BRAND *philosophy* TODAY

Qutone is a company that specializes in manufacturing and supplying ceramic and porcelain tiles for various architectural and design applications. They offer a wide range of products including wall tiles, floor tiles, and various surfacing solutions for residential, commercial, and industrial projects.

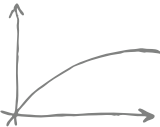

Qutone proudly operates four state-of-the-art manufacturing units, each tailored to meet diverse architectural requirements.

Qutone is known for its innovative designs, quality materials, and commitment to sustainability in the tile manufacturing industry.

## *What is* QUTONE?

Qutone was founded in 2008 by a group of like minded people with an aim to create meaningful existence for its patrons, where we symbolize Global Innovation & Creativity to exceedingly gratify the highest aspirations of Global Consumers having fondness toward international quality, Contemporary Designs and Accentuated Aesthetics.

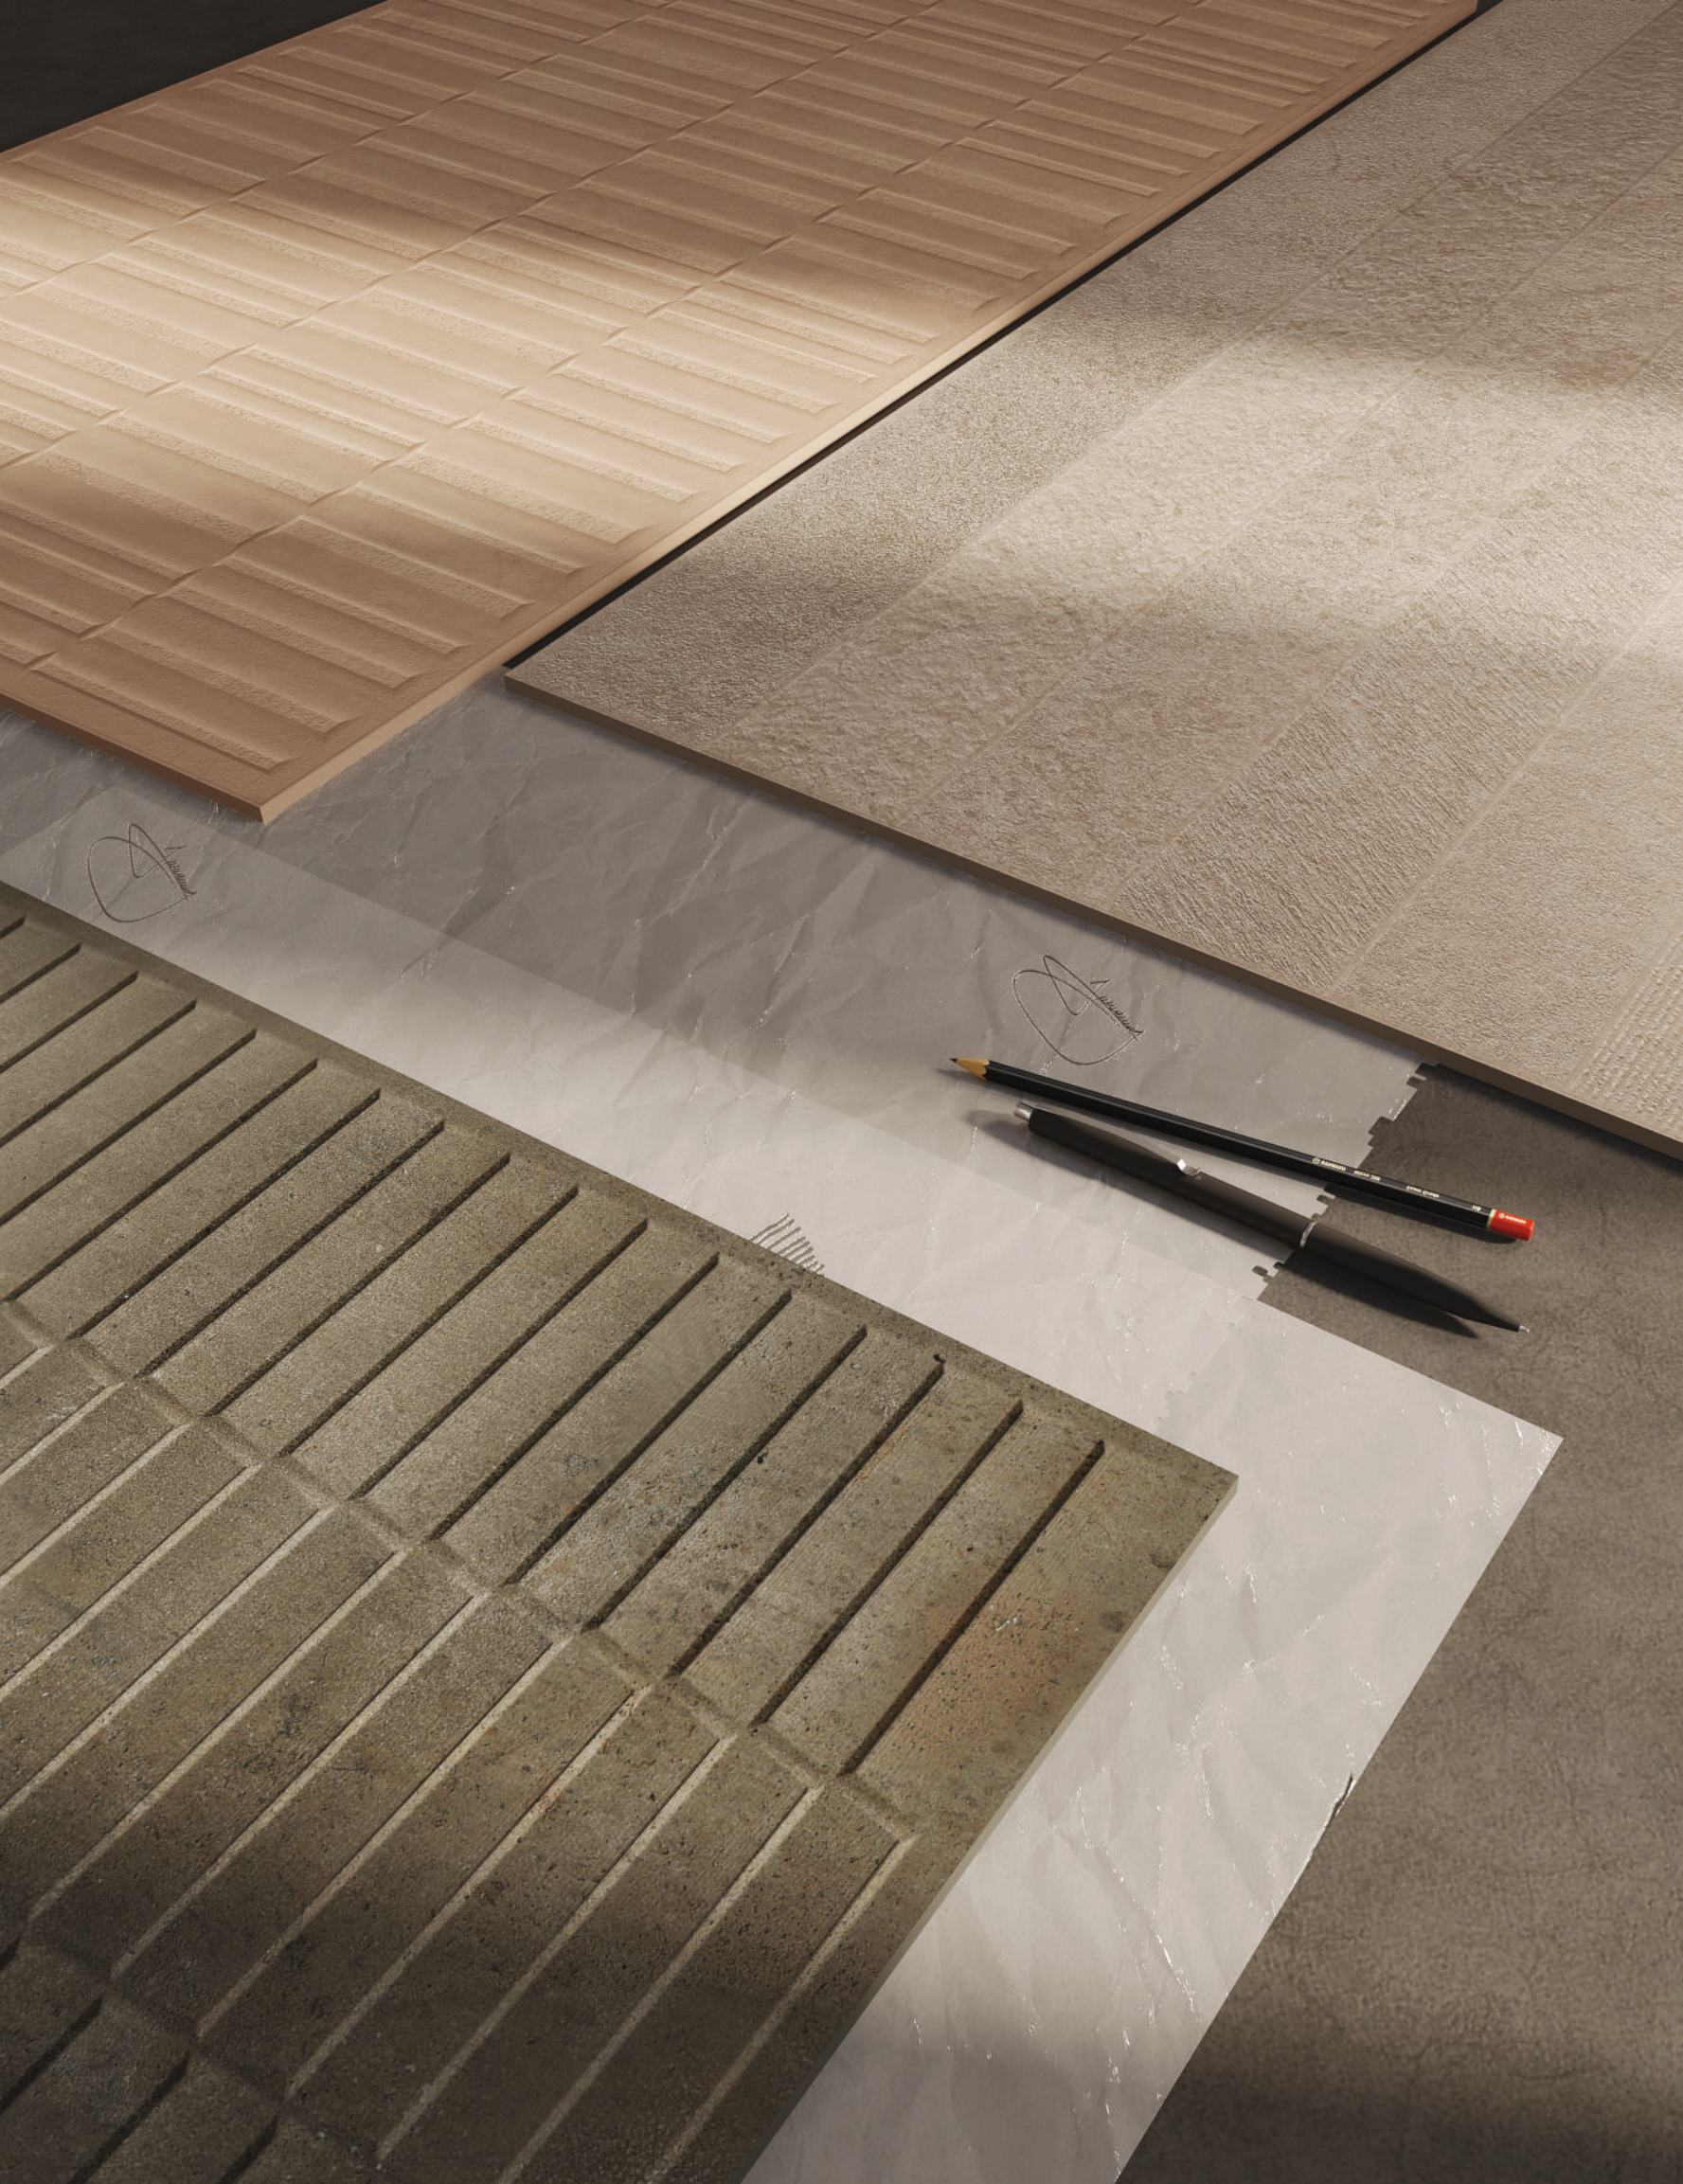

As a result of innovation efforts to meet its main objectives intrinsically tied to sustainability,

Qutone's headquarters are located in Ahmedabad. The company has a domestic network comprising 9 regional offices and 6 company depots. Additionally, there is an overseas office situated in Italy. To ensure nationwide coverage, there are 9 Company Owned Qutone Experience Centers strategically located across India along with 100 + Luxuria Dealers footprint exclusively displaying Qutone Tiles.

# ADVANCED *and performing* SURFACES

RO-BUST  
collection

The Robust Collection features a durable, scratch-resistant surface with a soft touch feel, making it ideal for heavy traffic areas and wall applications. Its color body adds to its resilience, & combining it with punch decors can highlight walls effectively.
